

Direct Payment Plan

PWSD #12 is pleased to offer you a new service- the direct payment plan. Now you can have your water bill paid automatically from your checking or savings account.

The direct payment plan can help you in several ways:

- No late charges
- No postage
- Payment is always on time
- Saves time-fewer checks to write
- No lost or misplaced statements
- Easy to sign up for, easy to cancel

Here is how the direct payment plan works:

You may authorize regularly scheduled payments to be made from your checking or savings account. Your payments will be made automatically on the specified day. Proof of payment will appear with your statement.

The authority you give to charge your account will remain in effect until you notify us in writing to terminate the authorization. You will still receive a monthly water bill to advise you of the amount of your payment.

To take advantage of this service, complete the attached authorization form and return it to us along with a voided check from your bank account.

I authorize Public Water Supply District #12 to initiate entries to my checking/savings account.
